

WASHITA THEATER

New Cordell, OK

Scope: Renovation of movie theater

The existing movie theater was built in 1946, and is located on the town square of New Cordell, Oklahoma, population 2,903.

The solution includes rigorously and faithfully restoring the deteriorated historic structure. The challenge was meeting the needs of modern codes, HVAC, electrical, food service, and acoustical adaptations.

The marriage of history and today's entertainment technology is combined to provide extended life for this important historical structure.
